IMEX

IMEX Communications is a Contact Center and BPO service provider with a strong history in providing top notch services to small businesses and Fortune 500 companies.

We provide Administrative Support, Call Center Services, Billing Services, Chat Support, Technical Support, Customer Service, Sales, Digital Marketing and Social Media Management, and Start-Up and Launch Support to solo-entrepreneurs and small to medium size businesses nationwide.

This particular position is for Quality Assurance calls. \$30 per list of required calls.

Amazon

Amazon has virtual (or "remote") positions available to qualified individuals who live in some areas. So if you aren't near a physical Amazon location, or just want to see if there are virtual opportunities in your area, you're in the right place.

Virtual opportunities are not available in all areas - specific questions about virtual positions can be discussed during the interview process with your recruiter.

Concentrix

Wondering if you can cut it? We hire people who are motivated and disciplined, and we favor ability over experience. Although the team shares common goals and the company's vision, we all come from different walks of life, reflecting the global audience we serve. At Concentrix, we strive to maintain an open culture, focusing on our operating philosophy of the 3 Vs: visibility, velocity and value.

You are a direct link between our clients and their customers. Skills that would make you successful are: Organized, Independent, Disciplined, Effective Communicator, Personable, and Focused

[HSN](#)

Find a career that engages and inspires you. Where your accomplishments are celebrated and the opportunities are endless. HSN is a network of relentlessly passionate people on a mission to create one-of-a-kind shopping experiences that deliver the thrill of discovery. We work together with integrity, purpose and heart in a culture like no other. So you can love what you do, where you work and the people you work with—every day of the week. (Yep. Even on Mondays.)

[Verizon](#)

Dream it. Build it. Do it here.
As a global technology leader, we have a responsibility to our people and the world. From diversity and inclusion to equity and sustainability, we are committed to creating meaningful change and positive impact.

[Walgreens](#)

A career at Walgreens means joining a company that has been dedicated to our customers and communities we serve for over 100 years. And today you'll find that our people are just as passionate, committed, empowered, rewarded and supported as ever before. From every aisle of our stores to every hallway of our support center offices, we believe in providing our team members with every opportunity to do more and be more.

Join us and you'll find the spirit of excitement and innovation alive and well as we encourage every team member to personally invest in our success and their future by developing better, more creative ways to approach their work, serve our customers, and engage with our communities. The result is a livelier, more dynamic, and healthier workplace for all.

[Arise](#)

Since 1994, Arise Virtual Solutions has been changing the way the world works – and changing lives – by connecting world-class brands to a network of thousands of Service Partners who want to provide customer, sales and technical support services from the comfort of their homes. **How?** Through a unique virtual technology and support platform.

Arise is an accredited business with the Better Business Bureau (BBB) and proud to have an A+ rating.

[LiveOps](#)

Life doesn't always run on a schedule. Liveops online call center opportunities put you in the driver's seat, giving you the flexibility to be self-employed – set your own hours and work from anywhere.

We help you work around your life, whether it be the wee hours of the morning or after the kids are in bed, we've got opportunities. Need to plan around other commitments? No problem. Live far from an urban center? Come on board! We've been welcoming customer-focused professionals and businesses into a thriving agent community for over 20 years.

[Apple](#)

People are at the heart of Apple and we want you to thrive. From day one, you'll have the opportunity to make meaningful contributions to the big picture. You can set yourself up for success with our career development framework, as well as guidance and resources that include course offerings from Apple University.

Change is a constant throughout your career at Apple, and you may choose different ways to grow. You can seek even greater depth within your expertise, change scope in your current position, or even explore a new opportunity here. Whatever you decide, you'll play the lead role in your growth, and we'll be behind you all the way.
